DEMOCRACY?

Mr. Premier:

On February 13, 2002 you wrote the following: *“I have committed that a Liberal government will ensure a binding referendum is held to allow local citizens to determine whether or not to dismantle the amalgamated city.”*

On November 10, 2003, on a provincially-mandated ballot, a clear majority of local citizens voted “YES” to de-amalgamate the City of Kawartha Lakes and restore Victoria County.

Mr. McGuinty, keep your promise! Citizens have voted. Be bound by the result.
